Woodlawn's Food Pantry

"Several weeks ago Bill and I went before the Elders asking to be allowed to open a Food Pantry at Woodlawn. The elders agreed and since that time we have had the privilege of helping 4 families. This has been made possible because of the local businesses who have given the pantry needed donations. There are no words to explain the wonderful feeling I get when I am able to do this service God has called me to do; to know we are here to help our community when they need it the most; to see the look in their faces when they see our Lord is there and so willing to help them out. I am pleased to say that the four families we have helped through the pantry have been attending Woodlawn, and they see and know that our God is with them. I hope that when I get the pantry completely open each of you will come and see the work God is doing. I would also like to add that any donations you can give would be a great blessing. We need items such as toilet paper, shampoo, conditioner, tooth paste and any and all dry goods. Once again I look forward to showing you Woodlawn's Food Pantry.

If you know of a family in need, please let me know. My home phone number is 673-7005; cell phone number is 665-6045. Thank you so much and may God be with each and everyone at Woodlawn and our local community.

Thank You, Martha Gibson"
